# CarBax Foam Cleaner

SELF-SERVICE FOAM CLEANER

TOP LINE

# CarBax FoamCleaner

The self-service foam cleaner is a perfect additional equipment to self-service car wash centres, petrol stations, or parking lots. Thanks to thick foam cleaning technology, it is possible to clean any textile or upholstered surface very easily, effectively, and quickly.

VIDEO:  
Foam cleaning  
with the CarBax  
FoamCleaner

The foam cleaner is suitable for cleaning car seats, upholstery and other parts of vehicle interiors that have textile covering material. Application starts with the foam being applied to the treated area and worked into the structure of the fabric with a brush. Afterwards the foam together with impurities is thoroughly vacuumed. Thanks to the use of foam, the drying time of the treated area is very short.

WIDE RANGE  
OF PAYMENT  
SYSTEMS

EASY  
MAINTENANCE

ROBUST  
STAINLESS-STEEL  
CONSTRUCTION

## LONG SERVICE LIFE

The entire construction of the CarBax FoamCleaner is made of stainless steel, which ensures a long service life, even under heavy load.

## QUICK DRYING OF THE SEATS

The thick foam contains significantly less water compared to traditional foam cleaning, thanks to which the cleaned surface dries very quickly.

## THICK FOAM WITH GREAT CLEANING EFFECT

The thick foam in combination with the application brush can handle even very dirty surfaces.

## ELECTRONIC COIN ACCEPTOR

Electronic coin acceptor accepting 3 coin or token types.

## CASHLESS PAYMENTS (OPTIONAL)

The CarBax FoamCleaner can be equipped with the CarBaxCard cashless loyalty card system or a POS terminal for payment by payment cards.

## CLEAR INTERFACE OF THE CARBAX OS SYSTEM

CarBaxOS is an advanced operating system that ensures the smooth operation of all CarBax devices, their monitoring, and the evaluation of statistics. Thanks to the clarity and user-friendliness, navigating the system, adjusting settings, or displaying statistics is very simple.

## REMOTE ACCESS VIA THE INTERNET

The CarBax FoamCleaner can be connected to the Internet, which allows complete supervision of the operation and the display of sales statistics.

# TECHNICAL DETAILS

VOLTAGE	400 V
POWER	3100 W
VACUUM	320 mBar
THE TOTAL VOLUME OF THE CONTAINER	22 l
THE EFFECTIVE VOLUME OF THE CONTAINER	15 l
VOLUME OF THE CHEMICAL TANK	20 l
DIMENSIONS	750 x 530 x 1500 (L x W x H)
COIN ACCEPTOR	Electronic coin acceptor with acceptance of 3 types of coins

## OPTIONAL EXTRAS

### SPRING HOSE ARM

Spring arm for hose to increase comfort for customers during foam cleaning.

### PAYMENT POS TERMINAL

Payment terminal for contactless payment for foam cleaning via VISA, MasterCard or mobile devices via Apple and Google Pay.

### CARBAXCARD LOYALTY CARDS

CarBaxCard cashless loyalty card system with which customers can pay for foam cleaning.

### ANTI-VANDAL KIT

Security kit that increases the security of the device against unauthorized intrusion.

## COMPLEMENTARY PRODUCT

### STAINLESS STEEL MAT HOLDER

The CarBax MatHolder Stand is so called "A"- shaped stainless-steel stand with four mat holders, with two holders on each side. It serves as additional equipment to the self-service foam cleaner for more comfortable foam cleaning of car mats.
