# CarBax BasicChange

BASIC LINE

THE BASIC VERSION OF THE BANKNOTE CHANGER

CarBax BasicChange is the basic version of the banknote changer, which allows exchanging up to 3 types of banknotes into two types of coins or even coins to coins of a lower denominations. It is suitable for self-service car washes, as well as for shopping centers, parking lots, gas stations, or as an addition to the CarBaxChange banknote changer to increase the banknote changing capacity.

CarBax BasicChange has two dispensing hoppers with a maximum capacity of 1200 coins, and the device can be equipped with a coin changer for changing coins of larger denominations into smaller values.

The CarBax BasicChange banknote changer is also available in the MONO version with one dispensing hopper and very compact dimensions.
